Donate to become a member of LATA!

A community that advocates and celebrates bilingualism, bi-literacy, multiculturalism and equity for all students, teachers and families.

We are educators, retired teachers and community members that work to support and protect all our students. As volunteers we work together to give thousands of dollars in scholarship to SFUSD Latinx high school seniors.

Please join us in building the LATA scholarship fund. We are all volunteers. We have no paid staff. This is work that comes from the heart! ♥

Please give us any information **you would like to share** about yourself.
